SEEDS OF GRACE RESOURCE EXCHANGE *

SOG provides food and household supplies to a number of local families each week through our food pantry open on Wednesdays. Thanks to the generosity of several local stores, businesses, private donors and NW Harvest!

Yet food is just *part* of the resources we offer.

In an effort to help individuals grow a variety of life skills and opportunities, we offer one-on-one resource consultations in which individuals create their own personal action plan. Plans may include matching a client's needs with available resources and creative planning solutions, budgeting 101, classes, free resumes, job seeking assistance and other applicable training and social support. We *LOVE* offering individuals a hand up, a renewed sense of dignity and the self confidence that they desire and deserve.

Drop Ins: One-On-One Resource Consultations
Wednesdays, 12-2pm. Other times by appt.
