In Frankfurt

As of last month we began bi-weekly worship services in Frankfurt at 5 pm. Pray for increased attendance. Our services are running around twenty people.

Out of Frankfurt

- 4-6th Diet taught in Prague (M4 training) on church planting and discipleship
- 8-12th Diet taught a course in church planting at the Bible seminar in Bonn
- 16-18th Diet was in Berlin to do MyLife-Workshop training for leaders

In the USA: Jan's spiritual formation studies with Renovaré

- Thankful for an intense week of instruction around these questions:
 - Who is God?
 - What is the Gospel?
 - Who am I?
- Thankful for this truth: what I believe about God is shown by how I live. Since He truly is who he says he is, I can live in that reality right now as I surrender to Him. Saying that I believe this and living it is the goal!
- The other 3 weeks of the institute will be in March and November, 2019 and July, 2020.

In Germany!

- Because of United and Continental Airlines merging, Lukas flies to Frankfurt three times this month! Joy!
- We're already looking forward to having Erich, Kelley, Max and Sam as well as Monica and Dominik here for Christmas (maybe Lukas will be able to join us, too)!
- **On October 31st we celebrate 33 years of ministry in Germany/Europe! HE is great!**
