

06/21/2020

Parents of ABC,

We are so happy to be gathered once again to worship our God and fellowship together. Children's Church is a very important part of our church family; we are excited to have our kids reunited as we continue to invest in their spiritual growth. Toward that end, Children's Church will be starting up again this Sunday during the morning service.

We understand that COVID-19 is still a real concern. In order to ensure that Children's Church can happen safely, we will be especially conscientious to observe social distancing and sanitation guidelines.

We commit to you to do our best to keep the kids at a safe distance from one another and will be cautious to avoid social crowding. We will have hand sanitizer readily available and visible; we will ask each child to sanitize their hands upon the entry to the children's church area.

We are confident that we can safely conduct Children's Church so long as we are taking these necessary precautions.

In Christ,
Amy Beaulieu
