

**Hello, Alaska Baptist Church**

**The end of 2019 was full of activities and excitement. Now the New Year is here in full swing and going by fast!**

**Here's an update on Children's Church:**

**We are in the book of I Samuel. We learned all about the early life of Samuel, including a special visit from David Stewart and puppet Timmy. We learned about Israel's first king, King Saul, and are just now transitioning into the narrative of King David.**

**Thank you for your support of the children's ministries. Children have a special place in God's heart and the efforts we sow today can reap eternal rewards. Our Sunday school teachers and Children's Church volunteers are so appreciated.**

**Please feel free to stop by at any time just to take a peek at what we're doing!**

**In Christ,**

**Amy Beaulieu**
