**Language Arts:** We will work on more “Magic C” letters and learn to write the capital letters O, Q and G. We will compare and contrast two Mitten stories, one by Jan Brett and the other by Alvin Tresselt. We’ll also be discussing the different parts of a book.

**Music & Movement:** This month we’ll begin to work on some movement songs such as Jump Up Turn Around; Don’t Move and Tap Like I’m Tapping. We will do some review of songs as we practice for our Winter Social in February.

**Math:** This month we’ll tie math to recognizing our names and we discover how many letters are in our names.

**Science:** We will do a STEM project with marshmallows and toothpicks.

## Bible Verse:

Virtue: **Faithfulness**  
“Let love and faithfulness  
never leave you.”  
*Proverbs 3:3*

Our **Bible Time** focus will be on the story of Jonathan and David in 1 Samuel chapters 19 & 23. We’ll discuss faithfulness in friendship. The kids will get to enjoy a Jimmy & Candy Puppet Show about being friends.

## Classroom News:

Happy New Year! We are excited about all of the adventures we’re going to take as a class this year.

Our New Sock & Underwear Drive to benefit kids in our community through Lions4Kids will end this month. You can continue to place your donations in the hamper in the hallway. Thank you!!

If you took your child’s extra clothes home for a size check, please return them so that they will be on hand for any accidents through the end of the school year.

Looking forward to what this year brings,  
Your Little Sprouts Team
