Beckett	May 1
Benjamin	May 6
Jackson	June 28
Colton	June 29
Ryan	July 19
Mckenzie	July 22
Emma	August 29

Monthly Lessons:

Themes: Plants; Frogs; Farm Animals

Language Arts: This month the letters we are learning to write are X, Y and Z. Many of the kids are also working on using Upper and Lower Case in writing their names. Our focus is on rhyming words this month.

Music & Movement: We'll finalize our program for our Mothers' Tea and continue practicing sign language for the Fruit of the Spirit (Galatians 5:22-23). The month will end with letting the kids use different rhythm instruments such as bamboo sticks, drums and cymbals.

Math: We are beginning to introduce simple addition and subtraction. Using our weather chart to compare sunny days to rainy days is a great example of this.

Science: Our focus is on lifecycles: Plants and Frogs. This month we will release our butterflies!! We'll be exploring how magnets work, and talking about Farm Animals and Pets

Bible Verse:

Virtue: Joy

"Come let us sing joy to the Lord."

Psalm 95:1

Notes:

What an amazing year it's been, and oh, how these preschoolers have grown! What fun to watch them spread their wings and fly off to Kindergarten!

We will celebrate our year on the last day of school, Wednesday, May 23. Families are invited to join us for a special program and lunch. More information will be coming home soon.

Thank you for blessing us with your kiddos this year. It has been such a treat to be a part of your family's life!

Miss Cindy, Miss Martie, Miss Michelle, Miss Rena and Miss Sandy
