PLEDGE OF TRUST

This pledge is a prayerful response to God. It is not a contract, a comparison, or a measure of faithfulness.

This card invites you to name one faithful next step in stewarding your time, talent, and treasure as an act of trust and worship.

Each of us has different capacity. What matters is not the size of the step, but faithfulness to God's leading.

Take time.  
Pray honestly.  
Respond freely.

Bring your completed pledge card to worship on Sunday, March 15, as we offer our commitments to God together.
