

# Boyz Camp

Dear Leader,

**I would like to invite EVERY church to bring a group of boys to the 2019 Boyz Camp, June 7-8\***

Whether you meet every week with a group of boys, only occasionally meet, or are just a dad with a lad... you are invited and welcomed to participate!! Boyz Camp offers a great opportunity for men to model before boys what it looks like to be a Christian man.

We are SUPER excited to have Mark Entzminger, the A/G National Children's Ministry Director with us this year to bring God's word at the event. It's going to be cool to see what God does among our young men this year at Boyz Camp 2019!!

You can come and cook your own food while camping in tents for the weekend, or stay in the comfort of a dorm room with someone else doing all of the cooking. Either way, we've got an adventure packed event planned that should challenge our boys mentally, physically, socially and spiritually.

HOPE TO SEE YOU ALL IN JUNE!!

Scott Schick  
Iowa Boys Ministries Director

*\*Optional additional camp day on June 9 for tent campers only, with lead pastor approval.*

## **SPEAKER MARK ENTZMINGER**

Mark Entzminger leads teams and influential leaders around the world in their journey to introduce children to Christ and help them grow a faith to last a lifetime. With over 20 years of local church ministry and a 4-generation heritage of church leadership, his insights are sound and practical.

He currently leads the Assemblies of God Children's Ministries Department which is responsible for creating relevant ministry tools for the local churches in the United States of America. These churches are reaching nearly 750,000 preschool and elementary-aged children through over 13,000 local church expressions each week. Their shared goal is that every child will have a strong biblical foundation and faith in Christ for the rest of their lives.

Mark's vision for children's ministries includes one of the most important facets for successful spiritual growth; equipping parents to become the primary voice for spiritual growth in their children lives and model the essential values and behaviors for God to use their children so they can find their destiny in Christ.

Mark is married to his college sweetheart Christie and they have two boys Colby and Cadyn. They are graduates of Central Bible College.
