

Dear Leader,

Thank you for investing in the lives of girls in your church's ministry! I am so excited for this year's upcoming Girls Ministry Retreat. It is so critical that we have moments, environments, and retreats for girls to be away from normal life and just be girls. This retreat is important to our network and is a value of ours. Thank you for being a part of it!

In order to be more focused on one primary mission, the bulk of our programming will be aimed at the younger girls and will not offer a separate track for the older girls. The older girls are still more than welcome to come, however we will not have a separate schedule for them this year.

This year, you may notice the schedule is shorter. In order to help make the most of our time together, we will offer all meals onsite at Sunstream, including breakfast. We will continue to invite any church in Iowa to come that wants to be a part of this retreat, whether they follow the national curriculum or not. Our main focus of this event is to be a space for girls, regardless of the programs the local church chooses to participate in.

Our theme for this event will be "Mission Argentina." We will also be putting an emphasis on (and taking up an offering for) the Coins for Kid's Project from National Girls Ministry which is Mission Argentina.

A full schedule of the Retreat will be available May 10. I look forward to seeing you in June. Please do not hesitate to contact me if you have any questions!
