

Dear Leader,

I am so looking forward to our Fine Arts Festival coming up on April 13. This is a great event for students to discover, develop, and deploy their ministry gifts.

First and foremost, our Fine Arts Festival is a discipleship tool. At this event our aim is to help coach students in their abilities while hopefully you, as their leader, help them to utilize their gifts for the Kingdom of God. We have a diverse set of categories for students to try out and we hope that as they try a category, this will help them find how God has wired them for ministry.

This year you will notice that the Fine Arts Festival is a one day event. In the past, it was combined with our Spring Youth Conference and it felt as though we were trying to accomplish too many things with one event. For this reason, we have chosen to put our energy into one event- the Fine Arts Festival. If you have any questions about this, please feel free to contact me. I hope this shift allows us to increase our emphasis on Fine Arts as a whole and help more churches to participate and understand this unique ministry.

I look forward to seeing many of you at our Fine Arts Festival in April! We are praying for you as you help develop and coach your students.

Blessings,

Adam Kolosik
Student Ministries Director
