Age Policy

The age policy is designed according to the spiritual, physical, and psychological needs of campers. The Iowa Ministry Network feels it is in the best interest of the students that their camp experiences be synonymous with their normalized experiences; the normalized experiences being the public or private schools where they are currently involved. The minimum and maximum grade levels required at each camp refer to the grade they will attend in the FALL OF 2019. Kids Camp is for grades 3-6.

Medical Disclaimer and Camp Code of Conduct

All campers are required to have a legal guardian sign a medical disclaimer in order to attend camp. A downloadable PDF is available on our website at www.imnag.org/events/camp. Campers will be asked to sign a code of conduct form when they arrive to camp. The code of conduct is congruent with what campers would experience in school or in the student ministries of a local church.

Visitor Policy

Our Visitor policy is designed for the protection of all campers. No visitors (other than relatives and pastors) will be allowed on campus. All visitors must check-in and check-out with the camp manager or an individual approved by the camp manager. In order to receive approval for your visit, please email Adam Kolosik at akolosik@imnag.org with your name, phone number, and the camper(s) you wish to visit at least 24 hours prior to visiting day. Visiting day is Saturday only from 6:30 PM until cabin time.

Health Policy: Lice checks and Medication

It is always our number one priority to protect your campers and to help promote a healthy camp environment. Our policy prohibits anyone with head lice to be admitted to camp. Each church should inspect campers for lice 14 days prior to attendance and again on departure day. Students on campus with lice will be sent home.

All medication is required to be turned in to the camp First Aid personnel at registration. This policy includes all counselors and/or volunteers approved to room with students. The camp first aid personnel will be responsible for dispensing all medications.

Prescriptions and over the counter medications are required to be in their original prescription bottle or container with the dosage and instructions still intact. Please place all prescriptions and medications in a ziplock bag with the camper's name, the church name, and city.

Early Pick-Up Policy (and picking up a sick camper)

No camper is allowed to leave the campgrounds without the proper procedure, including legal guardian consent. The only individuals allowed to pick-up a camper are his or her legal guardian or emergency contact. Please inform your church leader well in advance (if possible) if you intend to pick-up your camper early.
