**There is only one living and true God, who is infinite in being and perfection. He is a most pure spirit, invisible, with neither body, parts, nor passive properties. He is unchangeable, boundless, eternal, and incomprehensible. He is almighty, most wise, most holy, most free, and most absolute. He works all things according to the counsel of his own unchangeable and most righteous will, for his own glory. He is most loving, gracious, merciful, long-suffering, abundant in goodness and truth, forgiving iniquity, transgression, and sin, and he is the rewarder of those who diligently seek him. He is also most just and terrifying in his judgments, hating all sin, and will by no means acquit the guilty.**
