

Sermon Notes

Romans 13:1-7

The Christian's Relationship to the State

1. Not your typical "Government 101"
2. A universal command
3. All authority is derived from God
4. God put authorities in place for our good
5. A deeper reasoning
6. A richer application

The Sermon isn't the finish line for Word ministry, it's the starting line. It begins in the pulpit, but then it must continue through the life of the church as members echo God's Word back and forth to one another.
