Skill Level Definitions:

Beginner- An easy project suitable for a quilter just starting out. To build quilting skills, good beginner skills include basic seaming, 4-Patch squares, and other simple piecing projects

Intermediate- An intermediate quilter may have mastered more skills than a beginner or novice but still not be ready for advanced quilting techniques. Some intermediate quilting skills include simple free-motion quilting, piecing, and needle-turn applique work.

Advanced- Advanced quilting techniques include needle-turn applique work, curved piecing, feathers, and complicated free-motion quilting. Advanced quilters may also be ready to design their own quilts or work free-hand on more complicated designs.
