**Description:** Learn to make a ribbon cockade from 2 to 3 yards of ribbon. A cockade is historically based, being worn as hat adornments or on epaulets for the French military during the latter half of the 18th century. Today, I use them as adornments for my purses, tree ornaments and also can be worn as a brooch.

**Instructor Bio:** Ginger Mangie holds a degree in Consumer Family Science and a master's degree in education. She was a classroom teacher for 35 years and is also an NQA certified teacher. Her original quilt designs have won numerous regional and national awards both for technique and design. Today she provides instruction on techniques, original patterns design classes and also lectures on her originally designed quilts and handbags.

**Skill Level Definitions:**

**Beginner-** An easy project suitable for a quilter just starting out. To build quilting skills, good beginner skills include basic seaming, 4-Patch squares, and other simple piecing projects

**Intermediate-** An intermediate quilter may have mastered more skills than a beginner or novice but still not be ready for advanced quilting techniques. Some intermediate quilting skills include simple free-motion quilting, piecing, and needle-turn applique work.

**Advanced-** Advanced quilting techniques include needle-turn applique work, curved piecing, feathers, and complicated free-motion quilting. Advanced quilters may also be ready to design their own quilts or work free-hand on more complicated designs.
