**Instructor Bio:** The Stitching House and Sew Much More, LLC is a family owned and operated business located in Buckhannon, WV. Linda Childers began quilting 25 years ago when a friendly neighbor invited her in and introduced her to the world of quilting. Her shop specializes in custom and long-arm quilting and her projects are described as contagious. Linda's work is also featured as part of the juried selection of artisans' work available for sale at Tamarack in Beckly, WV.

## **Skill Level Definitions:**

**Beginner-** An easy project suitable for a quilter just starting out. To build quilting skills, good beginner skills include basic seaming, 4-Patch squares, and other simple piecing projects

**Intermediate-** An intermediate quilter may have mastered more skills than a beginner or novice but still not be ready for advanced quilting techniques. Some intermediate quilting skills include simple free-motion quilting, piecing, and needle-turn applique work.

**Advanced-** Advanced quilting techniques include needle-turn applique work, curved piecing, feathers, and complicated free-motion quilting. Advanced quilters may also be ready to design their own quilts or work free-hand on more complicated designs.
