

ADVENTURE WEEK SPONSORSHIP JULY 16-19, 2018

Purpose:

Adventure Week 2018: Our desire is to provide a community-wide, summer camp experience for kids (first thru sixth grade) with fun and exciting entertainment and activities (Water games, Inflatables, Crafts, Snacks and more) that will leave all who attend with a memorable moment.

Event Sponsorship:

Events like these cost thousands of dollars to pull off the right way. Partnerships with local businesses in our community create a big impact. We are anticipating at over 300 kids from around our community with 200 volunteers and many parents hanging around. Your partnership with us, gives us the opportunity to pull off a top-shelf kids' event, creating a memorable moment, while introducing everyone to some wonderful local businesses to help better meet their daily life needs. We have created four sponsorship levels to choose from and all include four nights of onsite promotion.
