

Parent Info Sheet

1. What is Double Dog Dare-A-Thon (DDD)?

- DDD is an event designed to culminate in an “invest and invite” challenge to pre-teens.
- We are challenging each student to invite one friend (or group of friends) to his/her house Saturday night and bring them on Sunday morning.
- Pre-teens and their friends will log in to our DDD website (crosspoint247.com/dare) beginning at 6pm on Saturday, April 28th and enter their teams. They’ll participate in fun dares for a chance to win some awesome prizes!
- We’re having a big party for your kids and their friends at church the next day (Sunday, April 29th at both 9:30a & 11:00a) to reveal the winners.
- Even if your child isn’t able to invite someone over, they will still have fun at the party and have a chance to win prizes!

2. Tell me about the Dares. What are they and how does this work?

- All the dares are safe & fun. We won’t encourage your kids to do anything dangerous (or illegal).

- Kids won’t see the dares until the day of the event. The dares are presented by video. A DDD video host will give a 30-60 second blurb about the dare and will then explain the dare to the students. Students complete the dare, take a picture & follow the instructions to email it.
- Be sure to pick up the items on the “What you need” list (below) before Saturday night so you will have everything needed for the dares.
- Once you submit Dare #1, the site automatically kicks the team to the next dare. There are eight dares.
- Past dares have included most shoes in a bathtub, biggest bubble gum bubble, highest jumping selfie, etc.
- Kids should be able to complete all 8 dares in less than two hours. It is not a race, but all dares must be completed before 9pm to be included in the judging.
- You/your pre-teens will get to the registration and dare page by going to crosspoint247.com/dare. Follow the instructions on that page. They will email their team photos, names, and number of participants. They can then start going through the dares.
- You can send the photos from your smartphone, tablet, or computer. The site is made for smart phones.
- If you have more questions or would like specifics about the dares, please contact Dave Sartain (dave@crosspoint247.com, 210-201-6295) or Melodie Sartain (melodiesartain@gmail.com, 210-920-0635).

What You Need:

1. Cotton balls
2. Aluminum foil
3. Hair ties/rubber-bands
