At-Home Faith Formation Tip - "Wondering questions" are an excellent way to engage kids (and people of all ages!) with Scripture. For example, after you read the creation story, ask open-ended questions like "I wonder what it looked like when God created the stars?" "I wonder what it would be like if there were no predators in our world?" "I wonder what you would feel like if you were the first person in God's creation?" (Tip from Faith Formation Ministries; crcna.org/FaithFormation)
