

MISSIONS SPOTLIGHT: MISSIONARY MARK & FAMILY

RECENT UPDATES | MINISTRY NEWS AND LATEST HAPPENINGS

Third Anniversary at Victory: We praise the Lord that we were able to celebrate the third anniversary of Victory Baptist Church in Taoyuan, Taiwan, on the last Sunday of April. We started planting the church in 2020, but it was officially organized three years ago. Praise God for the souls saved and disciples trained. Pray for this church to continue being a light here in this city and around the world.

Missionary Natasha: In April, Natasha was able to make her second trip into China this year to visit another pastor's wife in Dalian. It was a shorter trip this time, but she was able to be an encouragement to them and even teach the ladies at the church. Praise the Lord for this opportunity. Please pray for these ladies to continue growing in the Lord and serving Him faithfully.

Three Interns & Visiting Family: The interns we have mentioned several times have started to arrive. Currently, three of the five are here. We also have friends from Southside Baptist Church in Knoxville visiting, and they have already been a blessing. We are also looking forward to a group from the same church visiting next month. Praise the Lord for these visitors and interns. Please pray that their time here will be fruitful and encouraging.

STORIES OF GOD AT WORK | THE FAITH OF A CHILD

Missionary Mark: I made my third trip to China this year and was able to visit another pastor and his family, who graciously hosted me in their home. This was a special trip, as you will soon see.

On Thursday evening, we held a Bible study for those who could come. A church friend, whom we had not seen in a long time, showed up. The pastor asked me to preach on salvation. Afterward, this church friend told me that several years ago, when I preached from Hebrews 2:3, she was convicted and trusted Christ after that sermon. What a blessing to hear of fruit from past ministry in China!

As she was talking with me, the pastor's son, who is about seven and a half, waited patiently next to me. When he had a chance, he asked me about a verse I had preached on. He wanted to know about Hebrews 9:27. I could tell he was under conviction. I sat down with him, and we looked up the verse together, and I explained it to him.

I asked him if, when God judged him, he would be found guilty or not guilty of being a sinner. He said guilty. This was a big change, because I had witnessed to him the day before, and he had not been ready to admit he was a sinner.

I gave him the gospel and asked if he wanted to repent and trust Christ. He said he did. However, I told him to think about it and come let me know when he was ready, because I did not want to pressure him. He said he would think about it for two minutes and then let me know. I left him alone, and about a minute later, he came and found me and said he was certain. He wanted to trust Christ. We went into the next room, and I was able to lead him to the Lord. Praise God! This was a special trip, being able to see the pastor's son come to the knowledge of salvation.

There is much more to report about this trip to China, but I do not have the space in this prayer letter. If you would like to read the full report from the trip, you can visit my blog and read the post there: www.inhisjoyfulservice.com.
