

MINISTRY SPOTLIGHT: R E A C H

REACH 2026 is quickly approaching, and ministry directors Savannah Pemberton, Ben Pemberton, and Abby Maddox have been hard at work preparing for this year's event.

REACH is a three-night youth outreach event focused on ministering to the lost youth of our community as well as discipleship of young believers through worship, preaching, fellowship, and friendly competition.

One of the team's greatest desires is to foster an environment where students can build new relationships with other youth in our community as well as strengthen existing ones in a Christ-centered atmosphere. In a world full of struggles and trials aimed at our young people, the REACH directors believe that it is important now more than ever to be a light to the students of LaGrange, both inside the walls of Faith Baptist and outside.

More than anything, the directors of REACH hope to help spread the gospel to a generation that hears the good news less and less. Even if only one is reached, then it is all worth it in eternity.

The event is completely free for all students who attend. Through the generosity of sponsors, churches, volunteers, and supporters, the team is able to open the doors for as many students as possible to participate.

As the event draws near, Savannah, Ben, and Abby are asking for prayer. Please pray for safety throughout the week, for students who may be attending church for the first time, and for hearts to be open to the gospel. Most of all, pray that God would use REACH to impact lives and that the seeds planted during these three nights would continue to bear fruit long after the event has ended.
