Missions spotlight

Bruce and Lynn Berry. Bruce heads up missions to the Spanish speaking people of South America for Macedonia Missions and has a 25+ years relationship with Faith Baptist Lagrange. Bruce has been serving the Lord since his youth growing up in Hampton, Ga. attending First Baptist Church of Hampton. Bruce writes the following

Is the Church a Worthy Investment of Our Money?

People are reluctant to invest their money unless they can be convinced that their investment will be worthwhile. Bruce continues, as a young man, I greatly benefited from the ministry of the First Baptist Church in Hampton, Georgia. It was there through there Sunday School Program, their Vacation Bible Schools and preaching services, that I learned the truth about my sin and my Savior. It was there that I repented of my sins and trusted Christ for forgiveness and eternal life. I am eternally indebted to all those who gave financially to the ministry of FBC during the 60's. they gave so that I could, along with many others, hear the Gospel. **Their investment was worthwhile, because it gained, for them, the eternal fruit of souls saved!**

Isaiah 46:9-11 tells us that our God sees the beginning from the end. That tells me that before the First Baptist Church of Hampton, Georgia was ever formed that God knew that one day a little boy named Bruce would start attending there and that HE had a plan for that child. I'm challenged to look around Faith today at the potential Missionaries, Sunday School teachers, Preachers and future servants of the **True Living God** we as a church have influence over today. *They deserve our investment of money, time and effort.*

At faithlagrange.com you can read Bruce's most recent newsletter and join in his rejoicing over answered prayer. God is still on His throne and still answers our prayers and joy unspeakable HE is still saving souls!

FIELD DIRECTOR FOR SPANISH-SPEAKING
SOUTH AMERICA

PRAYER LETTER – July 2026

Dear Praying Friends,

Thank you for your prayers and support of our ministry in Spanish-speaking South America. Our hearts are filled with joy to announce that the Lord of the Harvest has answered your prayers, and He is sending more laborers into the fields of Peru, South America. We recently welcomed two new families to Macedonia World Baptist Missions who will soon be laboring together with us to reach the world with the Gospel.

MISSIONARIES TO THE DEAF IN PERU – The Lord has called J.T. Gorham and his wife Rebekah to be missionaries to the Deaf in Peru, South America. J.T. began losing his hearing as a freshman at Pensacola Christian College, which led him to learn sign language. He and his wife, Rebekah, have accepted God's call to start churches and schools for the deaf in Peru. They will be working with the Efata Ministries in Lima under the leadership of our missionaries Joe and Lisa Kotvas. They have already raised their support and are planning on being on the field by the end of the year. Please join us in praying that the Lord would bless their ministry in an abundant way.

CHURCH PLANTERS IN PERU – Isai has been called by God to be a church planting missionary in his native country of Peru. There are many towns north of the capital city of Lima that need the Gospel and Isai's desire is to reach them for Christ. He met his wife Hope at the Efata Ministries where she had served for many years. They have been approved to serve with us here in Macedonia and are now in the states raising their support to return to the field. Please join us in praying for God's blessings to be upon this precious family.

In Christ,

Bruce Berry
