**Remind notifications...** This is the only way I have to mass communicate with everyone. You will need to go to your notifications and turn them to on, or you are not likely to stay informed.

Please review and let Valorie know if your name isn't on the cast list.  
Please make me/Valorie aware now if you cannot fulfill your assigned part.  
Please let me know if you are interested in being a substitute in the event a main character cannot be at practice or a performance.

The practice schedule will be sent to you electronically through Remind.

**Note on childcare:** There will be no childcare for practices or performances. Please make every effort to arrange your own childcare off campus as the children's department will be closed during practices and performances.

**NOTE:** All practices are required if you are going to be in the program.

- Most practices are for main characters and directors only.
- There will be no general crowds until the last 2 practices. (If you cannot make these 2 practices, please do not plan to be in the play)

All speaking and singing parts need to have all lines/songs memorized by your practice date... a script will hold you back from being in character and will distract you, so please start immediately memorizing your lines/music.

We will have 9 practice dates this year for main characters which includes 2 dress rehearsals for the full cast. (*Again, if you can't plan your day to be at practice, please don't plan to be in the performance*)

**Our performance dates are** March 27,28 and April 3,4 at 7pm.

**Here are your directors.** Please please ask them any questions and keep them informed as to your schedule should you become unavailable to make a practice.
