## EVANGELIST RANDY BANE

*"For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus' sake." - 2 CORINTHIANS 4:5*

**Dear Friends,**

We pray that each one had a blessed Christmas as we celebrated the virgin birth of our Lord and Savior, Jesus Christ. Sin entered into the human race by man, and righteousness had to come by a perfect man. Since all have sinned and come short of the glory of God, Jesus *"took upon himself the form of a servant, and was made in the likeness of men: And being found in fashion as a man, he humbled himself, and became obedient unto death, even the death of the cross. Wherefore God also hath highly exalted him, and given him a name which is above every name."*

What a privilege it has been to proclaim this glorious gospel around the world again this past year. Thank you for your prayers, friendship, fellowship, and financial support that enabled us to reach so many. We are looking forward to 2026 and passing through the doors of ministry God opens to us.

## FAMILY

It was happy to be home to celebrate Thanksgiving with all our children and

growing up too fast. It was such a blessing to make a few more memories and enjoy feasting with them all.

On November 17, my wife Donna had a serious physical attack that was caused by several things at once. I took her to the emergency room, then she was sent to the ICU where they treated her for the next five days. Praise God, after six days in the hospital, we have Donna home safe and sound. The doctor's words were that she nearly died from a strain of flu that had her extremely dehydrated, in shock, and in kidney failure. At her dismissal, the doctor said she would have no permanent damage and would make a full recovery. No special medicine needed, only rest. She is still very weak, but making good progress. Thank God for his abundant mercies to us. Please keep her in prayer as she recovers and gets her strength back. Our deepest thanks to all of you for your prayers.

## BRAZIL

Donna and I went to the Amazon this past October, where she had been invited to speak at the ladies' meeting. There were over 140 ladies from all over the Amazon who gathered for a special time of exhortation and instruction. **Sister Tresar Barbosoa**, the daughter of **Kenneth Cates**, and her husband **Dirceu**, hosted this meeting which was held at a special venue as well as at the Central Baptist Church in Manacaparu, Brazil. Donna, along with others, gave her testimony and encouraged the ladies in the great faithfulness and the goodness of God. She was well received and immediately fell in love with the Amazonian ladies. There were many tears shed, prayers lifted, and testimonies of encouragement. The theme was "**Christian Women Influencing Generations**" based on Titus 2:3-4. It was a blessing to see both the older and younger women receive encouragement to remain faithful in their walk with God.

The Lord opened doors for me to preach in the churches and exhort the men in the faith. It was a blessing to see the mission work expanding into many areas of the cities, jungles and tribal areas. Brother Direcu and Sister Tresar are both being greatly used to lead the work in the Amazon region. This is a work worthy of your prayers and support.

## PHILIPPINES

"Project Colter" had a large Christmas gathering with the special need folk and their families. We sponsored local village meetings as well as the main meeting in the Colter Fellowship Hall. There was gospel preaching along with helping families with special Christmas gifts. The \$2,500 we sent will go a long way to be a blessing to poor families. We can say, along with Jesus, who encouraged John the Baptist by saying, "***the poor have the gospel preached unto them.***" Many of you have sent love gifts toward this special ministry and it has all been invested in this work. Also, we praise God that he protected the Colter Special Needs Building during the recent cyclone that destroyed much property all around.

Christians are under heavy persecution and they need our prayers. These Bibles are so important because during suffering God sustains His people by His word.

Deuteronomy 8:3, ***“And he humbled thee, and suffered thee to hunger, and fed thee with manna, which thou knewest not, neither did thy fathers know; that he might make thee know that man doth not live by bread only, but by every word that proceedeth out of the mouth of the LORD doth man live.”***

*The Word that was made flesh came to seek and to save that which was lost. That Word is being given to the souls who so desperately need Him.*

## AMERICA

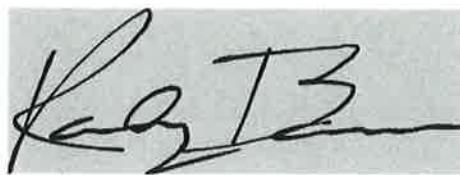

We have been able to preach this past year in a lot of church revivals, mission conferences, and camp meetings. Our schedule for 2026 is open with many dates available for meetings. The Lord opens, and no man can shut; and shuts, and no man can open. He is our bookkeeper, and we are willing to go or to stay. Thank you to all the pastors and churches that open their doors to our ministry.

**“THE WORD OF THE LORD ENDURETH FOREVER. AND THIS IS THE WORD WHICH BY THE GOSPEL IS PREACHED UNTO YOU.”**
