FIGHT LIKE DAVID

The battle is the LORD's — and you help win it.

Dear Friend,

Most of us know the story of David and Goliath. While others stood frozen with fear, David trusted God and stepped forward to face the giant. With nothing but a sling, a few stones, and unshakable faith, he won.

I think about David often—because every day at Valley Rescue Mission, men, women, and families step up to face giants of their own: homelessness, addiction, hunger, broken relationships, and the brokenness that makes a person wonder if they are even worthy of help.

Many arrive feeling overwhelmed and unsure where to turn. But because of you, they don't have to face those giants alone.

Your caring generosity provides hot meals, safe shelter, recovery support, counseling, and the hope of Christ. Through your support, fear is replaced with hope, uncertainty is replaced with stability, and lives are transformed by God's grace. What once seemed impossible becomes possible.

At Valley Rescue Mission, you allow us to fight like David. And just as David did not stand alone, neither do our neighbors—because of your faithful support.

Every meal served, every bed provided, and every life restored is possible because of your loving gifts. Please take a moment to send your gift today and help one more person face—and defeat—the giant standing in their way.

*turn over,
please*

Thank you for partnering with Valley Rescue Mission in these important fights. Together, through God's provision and your generosity, lives are being changed and giants are being overcome.

In His Service,

Easter Victory

You helped Jessee find victory

It had taken a toll on Jessee the years of loneliness, life on the streets, and hating the person he had become. He had been robbed of so many precious memories. The joy of Easter services followed by Easter egg hunts, chocolate bunnies, and family lunches of baked ham and deviled eggs had all faded.

The day he walked into the Mission you could see defeat written all over his face. Jesse was dead on the inside. He needed a savior ... he needed Jesus and the promise of Easter.

The healing process is never easy. Living on the streets zaps the life out of a man or woman and leaves deep scars. The first step for Jessee was a hot meal and someone to listen to his story and pray over him. Then together we developed a personalized recovery plan just for him.

Thank you for putting Jesse on the path to recovery. The deep love you have for those in our community who are hurting is truly amazing. Your generous gifts provide the Bible studies, Christian Counseling, meals, daily encouragement and so much more.

Most of all you helped Jessee find Christ – his victory.

This Easter season we each can rejoice in our *Risen Savior* for the daily miracles being performed all around in our Jerusalem, Judeah, Samaria and the utter most parts of the world (remember our translation ... Lagrange, Hogansville, Pine Mountain, and West Point and the uttermost parts of the world). Although you may not know it today, one day when you arrive in Heaven you will be amazed at the great number of people who are there because you gave! Thank you for your gifts.

If you have not started to give, would you consider starting today?
