God's Marvelous Plan for the Gentiles

Ephesians 3:1-13 "For this reason I, Paul, the prisoner of Christ Jesus for the sake of you Gentiles—Surely you have heard about the administration of God's grace that was given to me for you, that is, the mystery made known to me by revelation, as I have already written briefly. In reading this, then, you will be able to understand my insight into the mystery of Christ, which was not made known to people in other generations as it has now been revealed by the Spirit to God's holy apostles and prophets. This mystery is that through the gospel the Gentiles are heirs together with Israel, members together of one body, and sharers together in the promise in Christ Jesus. I became a servant of this gospel by the gift of God's grace given me through the working of his power. Although I am less than the least of all the Lord's people, this grace was given me: to preach to the Gentiles the boundless riches of Christ, and to make plain to everyone the administration of this mystery, which for ages past was kept hidden in God, who created all things. His intent was that now, through the church, the manifold wisdom of God should be made known to the rulers and authorities in the heavenly realms, according to his eternal purpose that he accomplished in Christ Jesus our Lord. In him and through faith in him we may approach God with freedom and confidence. I ask you, therefore, not to be discouraged because of my sufferings for you, which are your glory."

How involved should we be in the church?

Granted, we live in a world of freelance spirituality. People are hesitant to commit their time and energy to an imperfect body of believers. But this isn't a social club. It's a temple. It's God's temple. We are the bricks in the construction God is building for His glory. So how involved do you want to be in God's building project?

What does a healthy church look like?

One of the main ideas we get from Ephesians is that a healthy church is made up of different kinds of people. Through His death, Jesus has broken down those social walls that make enemies of different groups. A healthy church reaches across the barriers and makes new friends.

What does a healthy church do?

We are God's hands and feet in this community. We do the work of Jesus here, reaching out to the broken, the needy—all those who need the love of God. We love each other as we love God and let God love us! Are you representing God's righteousness to your church, friends, family, kids? God wants to be glorified by his creation! Will you submit to his will or frolic in the tumultuous sea of busy this world throws our way?
