We're Seeking a New Office Administrator

All things must come to an end, and after 20+ years, Rhonda Jensen is retiring as our Office Administrator on May 31. We wish Rhonda all the best.

Her departure means that we need to begin searching for the next person God is preparing for this important ministry that impacts every single area of our church. If you feel that this position is something that fits your abilities and gifts as well as something God might be calling you to do, there is a job description available from the office.

Applicants will be asked to complete an application form and submit their resume to the church office. A search team has been formed to evaluate the applicants and make a recommendation. We ask every member of ACC to pray for God's direction in this search process.
