Build Your Own Fishing Rod Class

Beginning January 7 (and every Monday night through March), John Nordquist will be offering a "Build Your Own Fishing Rod" class here at ACC. If you are interested, please talk to John or mark your Connections Card and we'll get you in touch with him. Materials need to be purchased ahead of time, so it's important for us to know you plan on attending.

Christmas Eve Offering

On Christmas Eve, we want to collect enough money to fill an Ark! Through Compassion International, the funds we donate will buy animals for villages where just finding enough food to eat is a daily struggle. Bring your change or write a check. Here's the cost per animal:

- Cow — \$450
- Pig — \$200
- Goat — \$100
- Chicken — \$40

Consider buying an animal for a country in need this Christmas.

Donations for Schools

We're accepting donations of warm, sturdy gloves and knit stocking caps for kids at Madison & Adams Elementary Schools. We also have a bin for donations of granola bars, or other snack bars, new or used snow pants (children's size 6-12) and snow boots (size 12 childrens—6 adults). Donations can be left in the bins across from the office.
