Care Packages for Children's Hospital

Megan Domeyer, one of our youth and a Junior at Legacy Christian Academy, is directing a service project to create care packages for parents who have children staying at Children's Hospital. Parents spend hours sitting at the hospital waiting for doctors and specialists and Megan hopes these care packages will bring a smile to their faces. She is looking for donated items such as sudoku or crossword puzzle books, fuzzy socks, card games, fidget spinners, travel tissues, Chapstick, lotion, beef jerky, small snacks and other small travel items. **Please refrain from donating anything containing peanuts, or any over the counter medications.** Money donations are also accepted. If anyone would want to write a card with hope and encouragement for the parents along with their donations, that would be awesome! You can place your donations in the box outside the office. There is a jar there for financial donations. Thank you so much for your donations!

Experience a First Century Passover Meal as the Disciples Did with Jesus in the Upper Room.
