## Starting a Discover Campus

1. **Contact Chris Hansler at [chris@pacificopenbible.com](mailto:chris@pacificopenbible.com) or at 253.310.5794.**
2. **Select a Campus Director** – this must be a Lead Pastor or a credentialed Staff Pastor. Discover is developed and led by pastors because we put a premium on practical application. The time required is 5-6 hours per week (depends of # of students), and Campus Directors are compensated 50% of the total paid registrations for that campus. We will provide training to the Campus Directors. The Campus Director’s job description can be found [HERE](#).
3. **Be sure the campus site has facilities and equipment** adequate to host Discover. In short, this means:
  - a. A prepared classroom that can accommodate the students.
  - b. A video monitor or projector with a screen large enough to be seen by the class
  - c. A computer which can be connected to the monitor or screen with the ability to stream the live video through an internet connection. We currently use YouTube Live.
  - d. Enough bandwidth to stream the live video without hesitation. The specifics can be determined by our technology director, Scott Alsperger.
  - e. We will provide assistance as needed.  
*Host church expectations can be found [HERE](#).*
4. **Plan for a minimum of 6 students** – We do not allow independent study in Discover because observed interaction and mentoring are important aspects of the leadership development of the student. Critical mass of at least 6 students is important to facilitate discussion and interaction.
5. **Become familiar with the Discover web site** – [www.discoverministrynetwork.com](http://www.discoverministrynetwork.com) - **and the Discover Moodle site** – [www.discoverministryschool.com/moodle](http://www.discoverministryschool.com/moodle)
6. **Promote Discover in your church and area** – We have videos and promotional packages that we will provide that can be used to promote Discover. Many of those can be found [HERE](#).
7. **Get students to apply.** We have found that the most effective campuses are those where the lead pastor has been a strong advocate for Discover. Challenge individuals that you believe have leadership potential to apply. Students can apply [HERE](#).
8. **Launch your Discover Campus** and watch as leaders are identified, developed and equipped for ministry!
