SERVE

RENOVATION CHURCH

RENOVATIONCHURCH.ORG

Ready to take the next step here at Renovation?

Come serve alongside us on Sunday mornings! We hope that every adult picks up an oar and helps us reach as many people as possible for Jesus! When you join a Volunteer Team, you will experience all of our teams being very flexible with what works for your schedule. Our teams require that you serve a minimum of once a month for one service, but if you'd like there is always always opportunity to serve more frequently. We recommend most people to be a part of one and no more than two ministry teams at a time. Join a team to make a life-changing impact for so many people in our community!

Set-Up / Tear-Down Teams

Our Set-Up and Tear-Down Teams are the foundation for everything we do! The Set-Up Team arrives at 7:00AM on Sunday mornings to set-up for the 9:30AM service. The Tear-Down Team serves after the second service from 12:05PM - 1:15PM. If you would like to serve in this way, please choose either the Set-Up Team or the Tear-Down Team (not both).

Renovation Kids

Renovation Kids is passionate about helping kids from nursery – elementary grow in their faith! There are multiple roles that you can serve in at Renovation Kids: from caring for little ones in the nursery, teaching preschool or elementary students, checking kids into our ministry, or coordinating Renovation Kids to make sure everything is running smoothly.

Street Signs

The Street Signs Team is responsible for placing and picking up six Renovation Church A-frame signs each weekend. The signs are set up on Friday evening and taken down on Sunday afternoon. We average almost one new visitor a WEEK from street signs alone!

Greeting Team

The Greeting Team has a major impact on helping Renovation Church become a welcoming environment every Sunday. The Greeting Team opens doors, hands out bulletins, and helps people find a seat.

Prayer Team

Renovation's Prayer Team is a ministry that directly impacts multiple areas of our church: from Sunday services to the prayer needs of individuals. Members of our Prayer Team gather to pray 30 minutes before the service on the Sundays they are scheduled. During this time, they pray for the service and the prayer needs of our church. They also pray with those who request prayer during the service. Throughout the week our prayer team members pray over all of the requests that are shared on connection cards from each service.

Ushering Team

The Ushering Team is a major part of what allows us to continue in ministry and reach more people! Ushers are responsible for collecting the offering and connection cards at every service on Sunday mornings.

Café Team

The Café Team creates an inviting atmosphere at Renovation Church where people feel comfortable and welcome. Café Volunteers serve people coffee, juice, and an array of baked goods. Renovation Church's café is open before, during, and after both services every Sunday.

Computer Operator

The Computer Operator is responsible for running the computer slides on Pro Presenter during our services. This role is extremely important on Sunday mornings, so we recommend this volunteer be a detail-oriented person! The Computer Operator arrives at 8:00AM on the Sunday they are scheduled, and serves during both services.

Video Team

Every Sunday morning a member of our Video Team films the message, so we can put it online (and on our app!) for people to watch if they happen to miss church. Many people watch a message before they try out Renovation Church for the first time! This role literally serves hundreds of people!

Lighting Team

The Lighting Team runs our lighting board to help create an engaging environment while people worship and listen to the message. Lighting Team volunteers arrive at 7:30AM on the Sunday they are scheduled, and serve during both services.

Parking Team

Our Parking Team greeters are the the very first volunteers to welcome people to Renovation Church – so this role is quite important! The Parking Team helps direct vehicles to the overflow parking lot and warmly welcomes them as they arrive.
