A MESSAGE FROM PASTOR DOUG

“Pay Attention”

Looking back on our life, can we recall an instance when something good happened to us when we were not paying attention? Even though my memory is not perfect, I struggle to name any good thing happening to me when I was not watching and not thinking and not listening.

That is precisely why the Lord Jesus Christ tells us to watch and consider/think and pray/listen while we are waiting for our blessed hope of His appearing. At the extreme risk of understatement, the perfect time of His return for us is too important to not be paying attention!

TITHES & OFFERINGS

If you are a visitor here today, it is our desire simply for you to enjoy the service today. If you consider this church your home church, the Scriptures teach **that each man should give as he has purposed in his heart with God; that everyone should give as they are able; and that giving should be done with a joyful heart and not grudgingly.** For further study read 2 Corinthians 8 & 9.

We do not take an offering; we have available an 'Agape Box' for all gifts and prayer requests.

God Bless You!
