**Jesus stood on the beach;  
but the disciples did not know that it was Jesus.  
Jesus said to them,  
‘Children, you have no fish, have you?’  
They answered him, ‘No.’  
He said to them,  
‘Cast the net to side of the boat, and you will find some’**  
John 21: 4-6

## loans that change lives

[kiva.org](http://kiva.org) is a 501(c)3 non-profit organization that brings people together to give micro loans (usually \$25 each) to people in order to help them help themselves. Here's an example of how it works:

Maria in Ecuador needs another dairy cow to increase her production and make more money with her dairy farm. However, things are tight so she doesn't have the money on hand to invest in a cow. Therefore, she applies for a loan through [kiva.org](http://kiva.org) where people like you can loan \$25 (or more) to help give Maria the money to purchase the cow. Thanks to the loans from [kiva.org](http://kiva.org), Maria can purchase the cow. Once the cow begins producing, Maria pays back the loan to [kiva.org](http://kiva.org) where the money you loaned goes back into your account. You can then either withdraw the money or re-loan it to another borrower.
