

PRAYER & PRAISE *from* ANNA FARROW

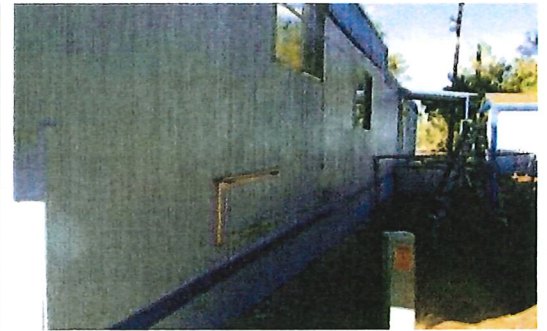

OCTOBER 2025

Dear Prayer Warriors,

Fall is in the air!! Pumpkin spice smells, Caramel apples!! Chiles roasting!! YUM!!

I've been so "busy" with finishing up the last details of my trailer!! It's taken longer than expected, but God knew who exactly to send to help me. The side that was rotted is now replaced with new boards. Some of the skirting has been replaced, and everything is now painted. Since I had paint left over, I painted my shed to match my trailer. Some of the staff kids helped with that. They did a great job!!

Just a note of THANKS for praying me through this summer -- it was definitely needed!! I believe that I was spiritually attacked this summer through the physical body. There were times this summer where during the week, all of a sudden, I could hardly move. Then, on the weekends, I was fine. I am doing better now that camp is over. Sounds crazy -- but it's all true. Please continue to pray a hedge of protection over the camp. Prayer through precious people is what keeps us going!!

Other than the above, camp went well. We had a great summer staff. Some of you have received this already, but here are the numbers from this past summer.

Now, we must remember that these numbers are just human observation; God knows the real number. Please be praying now as we are in our fall season, with work teams, retreats, and our outside ministries. Please continue to pray for the MBC, now that school has started. It slows down quite a bit.

Thank you for all your prayer and financial support!! This ministry would not be able to be done as easily without your help!! Thank You!!

Your Servant in Christ,

Miss Anna
