

Winter brings a new year filled with the excitement of 'non-stop' events! From AwanaGames to Bible Quizzing to Grand Prix – it's a time to enjoy some friendly competition together! As we enter the second half of this Awana year, it is so exciting to hear churches making **Family Discipleship** a priority in their ministries! **THANK you** for the blessing **you** are to us – supporting us as your missionary! We *appreciate* your faithfulness and continue to pray that God will deliver special blessings to you this year! — Phil. 1:6
