Project Hope 2025

Bringing Hope and Joy to Needy Children this Christmas!

Dear Friends,

We are preparing for our *Christmas Project Hope* outreach. Across the lands of post Soviet countries, December and January are the most important evangelistic times of the year.

With love and diligence, our dedicated missionaries prepare the gifts for needy children, praying for each one and asking the Lord to open their young hearts to the life-changing Gospel. You help make it all possible, and I can't thank you enough.

It is such a joy to hear these stories of blessings. Children giggling, their eyes sparkling with excitement.

It brings tears to my eyes just to hear about it. They were so grateful for even the smallest things.

It really puts things into perspective and makes you realize how much we take for granted.

This project is not a one-time effort, but one piece in a year-long outreach by local Christians to children in need. Your support makes it possible for our missionaries to reach out to children during the Christmas season and continue to build caring relationships throughout the year.

This holiday season, we're trying to bring the true meaning of Christmas to every hurt child. We want them to hear the hope of Christ and feel joy instead of pain. With your help, we can make this holiday season brighter for everyone.

We are dedicated to helping Ukrainian children who carry the trauma of war. Their childhood has been shattered by the harsh realities of war.

Our missionaries bring more than gifts; they bring the joy of Christmas to these precious children.

These moments aren't just heartwarming; they are life-changing. Seeing those little faces light up is absolutely priceless!

Spread Joy this Christmas with Project Hope!

We believe every child deserves to hear the Good news of the Gospel. Each care package will include a children's Bible or other Christian literature, sweets, toys, school supplies, warm mittens or socks, and hygiene items.

Christmas isn't just about gifts. It's about sharing God's love and hope and letting these children know they are not forgotten.

Our goal is simple: let's make sure no child feels forgotten or alone at Christmastime!

By joining today with our *Christmas Project Hope*:

- ★ You can share God's love and spread Hope.
- ♥ You can provide comfort for those who've been through so much stress.
- ☪ Bring faith & healing.

Christmas Joy is knowing you are loved!

As Christmas approaches, I want to thank you for your faithful prayers, as well as your support. Your support helps us make Christmas brighter for so many needy children! Thanks to you, they can experience the joy and hope this season is all about. You are helping us share the true meaning of Christmas.

We would like to see "no child without a gift." We believe every child deserves to feel loved and appreciated, especially during the holidays. And we know that together, we can make a real difference in their lives. Please help us warm the hands, heads and hearts of these children.

Thank you for helping us share Christmas joy and making our Christmas Project Hope outreach very special.

God Bless You, and Merry Christmas!
