Dear Friends in Christ,

You crown the year with your bounty, and your carts overflow with abundance. Psalm 65:11

The New Year is here! For some people, it has come too soon and for other not soon enough. One might say that the New Year is a symbol of a new beginning.

Each New Year I am always encouraged as my heart tells me that God is all I need. As 2019 begins, may we call upon our Lord Jesus Christ for His intercessions, His guidance and His light to shine on our path. He is always with us and unfolds great possibilities for the coming year.

Our gift from God is that we are able to leave the past and start a new page with fresh mind, new strengths and free soul. Jesus Christ who came to earth has made it possible. God blessed us and carried us through the previous year. For us, we begin an exciting year ready to grow and serve the Lord.

May the Lord bless you and increase his glory, love, and presence in your life and may He...grow you in his likeness daily and shower you, my friends, with his blessings.

Your Brother in the Lord,

Pastor Vitali Yuchkovski

What it Really Means to Receive and Give

2018 has been a wonderful year, with more lives transformed, and more people hearing about Jesus.

Please know we remain faithfully committed to minister to all whom the Holy Spirit leads us...in 2019 as in previous years.

Here's some brief highlights of our opportunities to fulfill the great commission of our Lord!
