

# FLAMINGO FUNDRAISER

SWYM—STILL WATERS YOUTH MINISTRY

SUMMER 2016

## You've Been Flocked!

When a flock of pink plastic flamingos mysteriously lands on your property, you might be a "victim" of a fundraiser for Still Waters Youth Ministry! With their bright pink plastic plumage, long legs and necks and hooked bills, flamingos cannot be mistaken for any other type of bird. When they land on your property, you will know it! Flamingos are social birds that like to hang out in groups....just like the Still Waters Youth Group! And, just like SWYM, for flamingos, home is where the food is! But don't worry, this flock of fabulously faithful feathered flamingoes will not need any special care or feeding during their stopover in your yard. And they will be rescued shortly, disappearing almost as mysteriously as they arrived!

## How to Flock a Friend

You can flock a friend for a donation of \$25 or more. Upon receipt of your order form identifying your friend (victim) and a donation, youth from the Still Waters Youth Ministry (along with chaperones) will secretly place a Flock of Flamingos in the front yard of the victim's house. Birds and signs will be delivered in the evening of the date requested (depending upon the availability of the flock) and will remain in the yard for 24 hours. A notice will be attached explaining the removal policy and explaining the option to "forward" the Flock to another victim....friend!

*"Flocking is fun...and it's fund-raising for SWYM. Funds raised are used to kindle the sparks of leadership among our youth through project work, group activities, conferences, outreach and more."*

## Land the Flock

- Have fun!
- Surprise your friends!
- Make memories!
- Support SWYM!

Be Ware! A flock may be on its way to a yard near you!

## Catch the Flamingo Fever!

No matter your personal feelings about the pick plastic lawn flamingo—and everyone every one does have an opinion—it's hard to suppress a smile when you see a yard full of these brightly colored creatures! Catch the fever and flock someone today!

Flocking is a friendly lawn greeting to celebrate a birthday, anniversary, graduation, retirement, or "just because". Flocking is by reservation only and flamingos are limited, so plan ahead!

We hope you have FUN with us as we raise funds for the our youth budget. If you have any questions or want to plan a landing, please contact The Leader of the Flock (Andrew).

## About Flock Removal

The SWYM Flamingos will be removed from their "landing site" by the Still Waters Youth Ministry within 24 hours of placement. Flock removal does not require payment, but if you would like to make a donation to the Still Waters Youth Ministry, it would be greatly appreciated! A donation of \$20.00 or more can get the flamingos forwarded to the yard of another friend. Requests for flock migration can be made by contacting The Leader of the Flock (Andrew).

## About Our Special Flock

Flamingos are precious to us and we want to keep them safe and healthy for a long time to come. Please protect them during their stay so that others can enjoy a visit from this fabulous flock!

## Flamingo Insurance

You may buy insurance for the entire flocking season! Without insurance, remember, you could be flocked several times!

- **PRE-FLOCKING INSURANCE:** Coverage for people who have not yet been flocked is \$20.00. You will be protected throughout the entire flamingo season.
- **POST-FLOCKING INSURANCE:** If you have already been flocked and do not wish to look at any more beady-eyed flamingos, you may purchase coverage for a donation of \$10.00 to insure no future flocking.
