

Welcome Oasis

Times: 8:30-9:00 and 10:00-10:30

Set-up on counter:

- Tissue
- Antibacterial soap
- 2-3 gift bags for visitors
- Name tag sign up board and basket for free will offering
- Name tags that haven't yet been picked up

Your Role at the Oasis:

Your main role is to make everyone feel welcome. It's challenging to recognize first time visitors, but a good trick is to watch for people who are looking around as if trying to figure out where things are located. A good rule of thumb is to smile at everyone! 😊 Thanks for your willingness to help Still Waters to be a church that makes EVERYONE feel welcome!

Name Tags:

First name tags are free (although free will offerings are happily accepted), but if a second name tag is ordered, there is a \$5 fee. Mary Lou places an order about once a month. Any money collected should be put into an envelope (found below) and marked with a description of what it is for. If it's cash, write who it is from. After you are done at 10:30, the sealed envelope should be dropped in the slot of the locked door around the corner (to the right of the coffee table). Any new names on the sign-up sheet should be included in the envelope.
