Kingdom Legacy

"Your Kingdom come, your will be done, on Earth as it is in Heaven..."
- Jesus

"Kingdom Legacy" is a strategic generosity initiative for those who are serious about investing in lasting influence through the ministry at New Chapel.

Throughout Scripture, the idea of "The Kingdom" is very prominent. *This term is referenced more than 100 times in the New Testament.* Jesus made it clear that we should not be, "self-minded" but rather, "Kingdom-Minded." It's so easy for us to get focused on ourselves, yet: throughout The Scriptures we're challenged to invest in the needs of those around us. We know that one of the major ways we can do this is by giving financially toward Kingdom causes.

If you have been around New Chapel for any amount of time, you know: There is a God-sized vision to answer, "What's next?!" **God has given us vision that is beyond our current circumstance and giving profile – That's a good thing!**

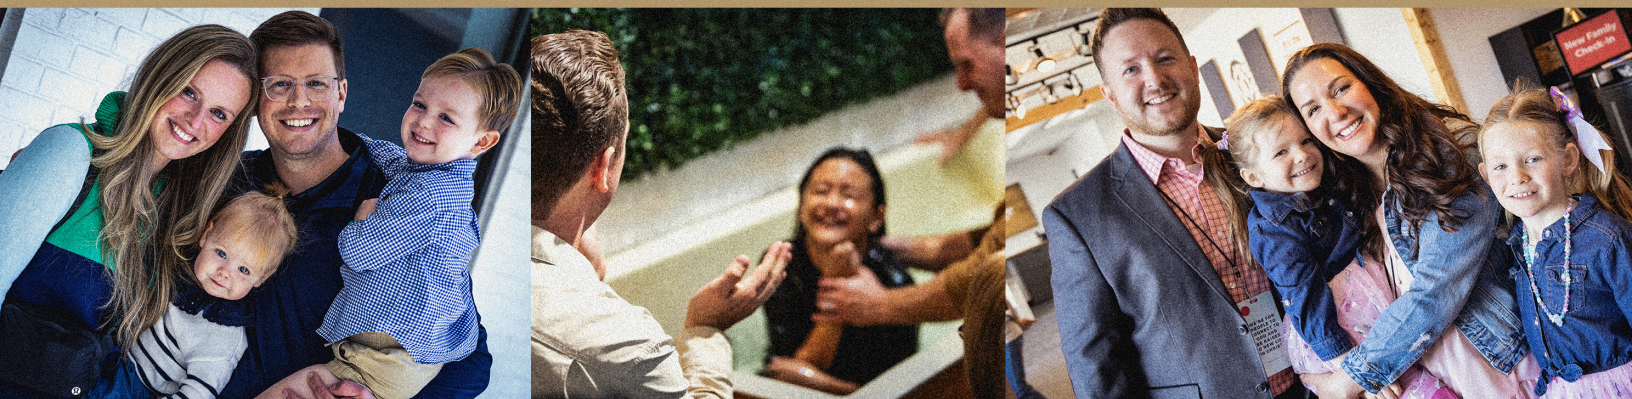

Kingdom Legacy giving expands what is possible for our church to do beyond our operational budget.

Those who sacrifice to make a Kingdom Legacy are a special group: We're focused on showing compassion, reaching out to our communities, and advancing the mission of God in and beyond our lifetime. We're a group of people who are passionate about leaving a Godly legacy as we give above-and-beyond into The Kingdom of God. We have the gift of giving. We stand behind the vision God has given our pastors for the church. Our gifts will be pacesetting to realize the vision.

In the following pages, you will learn about our four points of passion:

People, Places, Partnerships & Possibilities

> Our goal for 2026 is to raise \$550,000 beyond regular tithes.

People & Partnerships

PEOPLE - *"Kingdom Legacy" is all about investing in people.* The "People" category supports outreach (short-term & local missions), benevolence, next generation, leadership development, and the like. There is a lot of existing vision that is working (outreaches, events, etc!) We need to fuel what is already working, while we engage new projects. As always, we move at the speed of your generosity.

► **Chapelton Preparatory School:**

This year, we want to invest \$35,000 into the next generation. This includes expanding our curriculum, advancing our teaching tools and programs and enhancing our outdoor learning and play areas.

► **Small Groups:**

The Vision: (1) Provide group materials at no cost. (2) Continue to create and produce original New Chapel Group materials.

- Sponsor a small group study for \$15 per person
- Marriage on the Rock for 3 couples for 2 semesters (\$150)
- Grow Booklets (Church Growth Campaign) \$4500

► **Security:** We would like to expand our security team and infrastructure with new systems, tools, and safety upgrades. \$30,000 would help us to begin this investment. We are also believing God for an additional \$24,500 which would provide us with a Sheriff's Deputy for 4 hours a weekend. For \$19,000 we could have a Sheriff's Deputy for 3 hours.

► **Internship:** We're believing God to equip and train three interns for ministry. \$17,000

► **Take "Living in Freedom" to the next level:**

Believe it or not: Living in freedom was more successful than Easter! It's true: We're a patriotic church! 1,049 people attended (128 visiting families), and 54 people accepted Christ! Let's take this event to the next level!

► **"Fuel" our current Outreaches & Events:** Sponsorship can take these ministries to the next level.

► **Baptism Towels:** \$2,500 ► **Bibles:** \$6,000

► **Upgrade First Time Visitor Gifts:** \$5,000

> **Our goal for 2026 is to raise \$100,000 beyond regular tithes**

PARTNERSHIPS - *"Kingdom Legacy" is all about investing in people through partnerships.* To expand the mission of God, New Chapel has engaged in strategic partnerships. Organizations like the ARC and The Pastor's Friend are making a huge impact nationally, and globally. As we continue to fund these important partners, we can also expand our reach. Below are opportunities that can multiply our impact.

► **Support to Israel Outreach:**

Romans 1:16 *"I am not ashamed of the Gospel ...for the Jew first and also for the Gentile."*

Giving Non-Cash Assets

There are often tax advantages to the donor when giving non-cash assets. For example, it is possible to reduce or eliminate tax liability on the appreciation of stocks by donating via a stock transfer. Assets such as: vehicles, land, real estate, commodities, business holdings, Stocks, Mutual Funds, Annuities, IRA Distribution, Cryptocurrency, and the like.

Giving Directly from your IRA

If you are over the age of 70^{1/2}, you may want to consider making gifts directly from an Individual Retirement Account (IRA). You may need to speak with your financial services adviser to ensure that the donation is transferred properly. As part of the Pension Protection Act of 2006, Congress has made it possible to make tax-free charitable gifts from your IRA.

Giving in this way assures that these funds will never be subject to income or estate tax.

This may make it possible to give more at the same or lower cost than in the past.

Please check with your tax advisor on these matters, and if you have any questions about using non-cash assets to fund your gift, please reach out: connect@newchapel.com

newchapel.com/give
newchapel.com/give/year-end-giving

there are benefits to year-end giving

As the end of the year approaches, many pause to reflect, give thanks, review, and plan.

Thoughtfully addressing your charitable giving priorities between now and December 31st can help assure maximum benefits for you and your charitable interests. Carefully considering what to give and when to give it can help increase the impact of your gifts while helping to meet personal priorities as well. Thank you for living generously!

Enjoy Tax Savings While Fueling Kingdom Work

Strategic giving can reduce or even eliminate taxes while expanding ministry impact. When you itemize deductions, your generosity can go further than you might expect.

Gifts of Cash

Cash gifts are the simplest way to give - and if you itemize, you can deduct up to 60% of your Adjusted Gross Income, with excess carried forward up to five years.

Save Even More with Non-Cash Gifts

Donating appreciated assets like stocks or mutual funds lets you avoid capital gains taxes and deduct the full fair market value, maximizing both your tax savings and your impact.

Giving Fully Depreciated Assets

If investments have lost value, sell them first and donate the proceeds - you can claim a deduction and potentially realize a capital loss benefit as well.

Giving of Securities

Coordinate with your broker to ensure timely transfers of securities, especially mutual funds or non-publicly traded assets; we're happy to help guide the process.

Give From Your IRA

If you're 70½ or older, you can give directly from your IRA through a Qualified Charitable Distribution of up to \$108,000 in 2025 - completely tax-free.

Leaving a Legacy

Consider including New Chapel in your will, trust, or beneficiary designations to create a lasting impact that blesses future generations while aligning with your faith and values.

A Note About Giving to Chapelton Christian School

Donations to our school's qualified 501(c) (3) funds are tax-deductible, but tuition payments and fees for services are not; please designate gifts clearly to ensure proper handling.

Act Now for Greatest Benefit

Year-end timing matters - Give by Dec 31st, 2025 to qualify under current law (no new AGI floor, full itemized benefits). Wait until Jan 1st, 2026, and you'll give under the new framework - including a new 0.5% AGI floor for itemizers and the new above-the-line deduction for non-itemizers. Checks must be postmarked by Dec 31st, and online gifts completed by 11:59p.m. ET to count for 2025

The purpose of this publication is to provide general gift, estate, and financial planning information; it is not intended as legal, accounting, or other professional advice. For assistance in planning charitable gifts with tax and other financial implications, the services of appropriate advisors should be obtained. Consult an attorney for advice if your plans require revision of a will or other legal document. Tax deductions vary based on applicable federal discount rates, which can change on a monthly basis. Some opportunities may not be available in all states.

Pray.

It's simple. Ask God how He wants you to participate in Kingdom Legacy. This "Legacy Season" begins with a **Special Offering on December 14th**. Many make their "Year-End Gift" on this "Kingdom Legacy Sunday" and give regularly throughout the year.

Make friends with Sacrifice.

Like so much of Christianity: **This is a call to sacrifice.** It's only when we give above and beyond the Tithe that we will truly advance God's Kingdom Causes. Money may leave your hand, but it will not leave your life. God sees all that we do, and He is our reward!

Give.

Every dollar you give goes towards support for all our points of passion here and around the world. **Follow through on your decision.** Together, we can truly take ground for the Kingdom of God.
