Pray

Jesus, I come to you as the Bread of Life who satisfies and nourishes me as the very Presence and Person of God Himself.

You are all I need.

I confess that I have sought to satisfy the longings and appetites of my soul with food that does not last or sustain me.

Forgive me and today I surrender these longings to you and come to you, believing in Christ, the Bread of Life as the only true source of satisfaction for my every need.

I want that daily personal connection with you, which you promise in John 6.

I praise you for the promises in this passage and anticipate the sweetness of enjoying this Bread of Life as I move up and out in new life in you.

Praise be to the King of Kings, forever and ever, Amen.

Remember

Jesus said to them, "I am the bread of life. The one who comes to me will never go hungry, and the one who believes in me will never be thirsty."
