

First Christian Church Ministries Scholarship Application

FINANCIAL AID POLICY

In support of First Christian Church Ministries' college-age students, it is the intent of the Education Ministry to help financially support any full-time student who wishes to pursue a college degree from an accredited, four-year institution affiliated with the Christian Church/Church of Christ brotherhood. To be eligible you must be a member of FCCM, and represent yourself in a morally sound and Biblical way.

Each student must submit to the Education Ministry, in writing, a request for financial assistance at least 45 days prior to the beginning of the first semester. This document should be signed along with a letter of intent (three pages or less) including your name, address, and the college you are attending (or plan to attend), the degree that you are pursuing, references, brief bio, ministry goals, future vocation interest, and any other pertinent information. The Education Ministry will review all applications on an individual basis. The amount of financial support will be determined annually.

In the event that financial aid is awarded, each student must agree to adhere to all of the following guidelines. These guidelines are subject to change:

1. The student must represent himself/herself in a morally sound, Biblical way.
2. The student must maintain at least a "C" average each semester.
3. A copy of the school's official transcript showing the semester's grades must be submitted within 30 days of the term's completion.
4. Monies will be spent for tuition, room and board, books, and special fees. Receipts must be submitted along with the grade transcript at the end of each semester. Typically the funds are paid directly to the School.
5. The student must also respond to the Education Ministry in writing each semester.
6. At the end of each school year the student must interview with the Education Ministry to review goals and accomplishments for the completed year.

Failure to comply with these guidelines will result in the loss of financial support.

I have read, and agree to abide by, the guidelines set forth by the Education Ministry of First Christian Ministries.
