Note from FCC Aquatics:

Welcome to the Family Life Fitness Center (FLFC) swimming program. We are delighted to be working with your child this session. Each of our instructors has been training, learning, and is looking forward to teaching your child to swim! Thank you for allowing us to serve you and your family!

Each swimmer must remain out of the water until their instructor has started the class. Children may remain seated under where their level sign is posted on the wall. If you need to speak with your child’s instructor, please do so at the end of class. Any questions or concerns about your child’s progress can be answered at this time as well.

If you plan to watch your child during the lesson, please take a seat on the benches at the **SHALLOW END OF THE POOL**. Please do not talk to your child during their lesson. If your child is distracted by you being visible, you may be asked to leave the pool area so the lesson will benefit your child. Doors to the pool area must remain closed. Everyone must come in the front door of the building and **sign in** at the front desk. In case of emergency, you have to remain somewhere in the building during swim lessons. Because our staff is teaching or lifeguarding, they are NOT responsible to take your child to the bathroom. Please make sure someone is available to take them to the bathroom.

Any concerns regarding your child’s progress, instruction, or any questions should be directed to Aquatics dept at 996-7388 extension 143 or email aquatics@fccministries.com

Blessings to you and your family, The Aquatics Staff
