Technology Curriculum

Rationale based on Scripture

God is the Creator of all things, including technology. Our school is committed to providing students with a quality education in technology so they can function effectively as Christians in their church, community, and country. A quality education in technology will help students succeed in high school, in the work place, and help them witness to friends, neighbors, and co-workers about our Savior.

Exit goals for graduation

Students will demonstrate proficiency, understanding, and/or commitment to the following set of exit goals upon graduation. The level of proficiency of these exit goals will be dependent upon the individual gifts and effort of the student and at what grade the student started attending Christ the King.

- Demonstrate a positive attitude toward technology
- Use God's gift of technology in a God-pleasing manner
- Are aware of how to stay safe while searching the Internet
- Able to touch type from home keys position
- Experience with doing research on the Internet
- Ability to create, modify, and share a document on Google Docs
- Ability to create, modify, and present a presentation on Google Docs
- Familiar with different platforms (e.g. PC, iOS, Chrome)

Grade Specific Technology Resources

Currently, Christ the King does not offer a technology class. Technology is primarily used as a supplementary resource in other classes. Teachers may teach mini lessons on how to use a particular program, website, or type of technology. Following is a list of grade specific technology resources our teachers use to teach our students how to use technology as a supplementary resource.

Kindergarten

- McGraw-Hill Connect
- YouTube videos
- Learn360

First and Second Grade

- McGraw-Hill Connect
- Learn360
- YouTube videos
- Pinterest

Third and Fourth Grade

- Times Tables
- Learn360
- Shepphard Software
- Pinterest
- Google

Fifth and Sixth Grade

- Welcome to the Web
- Bible Gateway
- Google Docs
- Ducksters
- Times Tables - Grand Prix
- Times Table - Tractor Pull
- Times Tables - Space Racer

- Times Tables - Games for 3's-8's
- Math Operation - Bamzooki Game
- Math - Factors & Multiples
- States & Capital Games
- Cool Games for Math & Other Things
- Typing Club

Seventh and Eighth Grade
- Google Docs
- Typing Club
- Google search engine
- Wikipedia
- Bible Gateway
- Learn360
- Grammar Girl
