

## Sycamore Creek Scholarship Application

We have a limited number of scholarships for SpringHill Day Camp 2019. Scholarship funds are offered so that students who otherwise could not afford to attend camp can participate. Scholarships are awarded based on the applicant's need and interest in Springhill Camp. First time applicants will be given consideration over those who have previously received scholarships.

To apply, fill out the following application:

Attach the following documents:

- A letter from the student explaining why she/he wants to go to camp (for younger kids a picture and limited writing)
- Letter of reference from the student's teacher (or another non-family member)
- Send your application and other materials to:
