

Hey Everyone!!

Well if you were watching the game last night you got to see a great one. Not only was it a good scoring game, Tom Brady and the patriots lost. And yes, I enjoyed that part of the game very much.

This week we will be getting back into the swing of things as we kick off a new series, Stressed Out. Let's be honest, everyone has stress in their life and students are no strangers to the affect of stress in their lives. I mean have you ever experienced the heart racing, palm sweating, all consuming feeling of anxiety that comes with stress? If you have, then you know it can feel almost paralyzing. But, that's not the way God intended us to live. In this series, we'll discover that with God, it's possible to live a life defined by freedom rather than stress. Be sure to have your student(s) at SCC by 6:30 for some fun and a meaningful talk to help guide them through the stresses that life can bring.

If you have questions please shoot me an email at triley@sycamorecreek.org, give me a call at (614)920-4020, or text me at (585)519-7032. Hope you all have a good week and God bless.
