

Hey Everyone!!

I hope that you all had a great Mother's day and got some extra time with the family. With the end of the school year and summer about to start it's always nice to take a minute and focus on family. As the school year comes to a close, I know summer is on your student's mind 24/7. We will be praying for students to focus these last few weeks of high pressure finals, etc. at school and finish strong!

This week we continue in our HATERS series with week two. Here a glimpse into what we will be talking about! We all tend to look at people and make some assumptions about who they are. But when we make these assumptions, we risk missing out on the bigger story of who someone actually is. This week, as we look at one of the Bible's most unlikely heroes, we'll discover that our judgments and assumptions are nothing compared to God's plan and power.

If you have questions please shoot me an email at triley@sycamorecreek.org, give me a call at (614)920-4020, or text me at (585)519-7032. Hope you all have a good week and God bless.
