Dear Cemetery Professional,

After much deliberation and great sadness, the Associated Cemeteries of Missouri (ACM) Board of Directors and Convention Committee has decided to cancel our 2020 in-person Convention at the Lake of the Ozarks due to the COVID-19 pandemic.

Throughout the years, our convention has expanded our knowledge base, built relationships across the state, and allowed our association to pave the way and monitor state legislation that affects all cemeteries in Missouri.

Although we cannot physically meet this year, we will have a way to share meaningful content with our fellow cemetery and funeral professionals. The "Virtual Convention" will begin in August. More details about these FREE webinars will be communicated soon. Be sure to like and follow our Facebook page for the most up to date information.

Sincerely,

Stephen Zell
