Good and Evil

Further Reflection on 9/21

1. Think about a time you were deceived. How did it make you feel?

2. Now think about a time you deceived someone else. Why did you do it? How did it make you feel? How did it make the other person feel?

3. Read Genesis 27. What stands out to you from the passage?

4. Is there a time you've wanted something, even something good, so badly that you thought about using deception to get it?

5. Deceitfulness is never God's will. How does that statement impact your life and the life of the church?

6. Think about your life. What's something that you wish you could let go of and give to God and trust Him about?

7. Doing things in a Godly way is always the right way. What parts of your life do you need to reexamine how you do things? Think about your family, work, friends, and even your social media.
