

5 YEAR VISION

BUILD A GREAT COMMISSION

We will build a church that is passionate about sharing the good news of Jesus with others and investing in making disciples who know everything Jesus taught and live in obedience to him.

"Then Jesus came to them and said, 'All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.'" Matthew 28:18-20

BUILD GOALS

1. We have 4-6 big outreaches yearly where we share the gospel with a large group of people.
2. We train every believer to confidently be evangelistic.
3. We start a teaching discipleship environment.
5. We prioritize making disciples among the Next Generation (20 and under).

HEAL WITH THE GOSPEL

We will be known in our area as a place where people find genuine and lasting hope and healing from all kinds of hurts and hang-ups.

*The mind governed by the Spirit is life and peace.
Romans 8:6*

HEAL GOALS

1. Start a lay listener ministry for those who are wearied by anxiety and depression.
2. Start Re:generation to serve those who are stuck, struggling, or searching for help in life by walking them through the 12 steps of biblical healing in the context of authentic community.
3. Start a couple's mentoring program.

SEND TO ADVANCE GOD'S KINGDOM

We will send out short-term mission teams to advance God's kingdom and listen to where Jesus is calling them to be his witnesses in their everyday lives. We will train, equip, and send out those who are exploring a call to full-time ministry.

But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth." Acts 1:8

SEND GOAL

1. Regularly send out short-term mission teams.
2. Start a pastoral residency program and kids' and youth internship programs.
3. Support a church plant in rural Minnesota.

Freedom for ⁷the ⁷future

Freedom for the Future is a three-year initiative with the following goal: pay off our building loan in 3 years instead of the scheduled 11 years. By doing so, we will save over \$500,000 in interest payments and free up \$215,000 yearly to invest in the vision to Build, Heal, and Send.

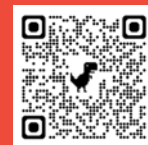

We can pay off the loan in three years by making an additional \$29,150 monthly payment.

Every dollar donated to the Freedom for the Future Initiative will go directly and immediately to pay off the loan.

"This is an exciting time for our church. There is a lot of great ministry happening. People's lives are being transformed by Jesus Christ. We have a great leadership team between the staff and the elders. God is stirring in us a vision to take some big steps of faith to be used by him to be an incredible blessing to our community and to see lives transformed by Jesus Christ." - Pastor Matt
